The Board recognizes its obligations under State Board of Education Policy GCS-C-003 regarding North Carolina End-Of-Course ("EOC") Assessments. Pursuant to that Policy, students who are enrolled for credit in courses in which EOC assessments are required shall take the appropriate EOC assessment at the completion of the course. Students may drop a course with a required EOC assessment within the first 10 days of enrollment in a semester block schedule or within the first 20 days of enrollment in a yearlong traditional schedule. Students who are enrolled for credit after the 10/20 days shall not drop a course with a required EOC assessment and shall participate in the appropriate EOC assessment at the completion of the course.

Results from all operational EOC assessments shall be used as at least twenty percent (20%) of the student's final grade for each course with the exception of students following the Occupational Course of Study.
